MOTTO : A GREAT STEP FOR A BETTER TOMORROW

Dear Parent/Guardian,

Greetings in the name of Jesus. We give thanks to the LORD Almighty with grateful hearts for how far He has brought us, and we trust Him to guide us through to the end of this term.

Everything is progressing smoothly, and we would like to share the following updates:

1. Mid-Term Examinations

Pre-school and Grades 1, 2, 3, and 6 have completed their mid-term examinations. Please go through the results together with your child.

2. KNEC Assessment

The theory assessments for Grades 3, 4, and 5 begins today.

3. Graduation & Closing Ceremony

The PP2 graduation ceremony will take place on the **22nd**, which will also be our **closing date for Term 3**.

- ▶ PP2 parents who have not yet paid the **KES 2,500** graduation fee are kindly requested to do so by October 10th.
- ▶ We also request all other learners to contribute **KES 100** to support the event.
- ▶ Venue: School Grounds
- ▶ Time: 9:00 AM

You are all warmly invited to attend.

4. School Fees

Kindly ensure all outstanding fees are cleared by October 5th. Please note that learners with fee balances will not be allowed in class after October 5th. We urge parents with pending balances to settle them promptly.

To those who have already cleared, we sincerely appreciate your continued support.

Yours Sincerely,

Tr. Evelyn
